DISCLAIMER

Disclaimer of Warranty

The contents of this site are provided "as is" without warranty of any kind, either expressed or implied, including but not limited to warranties of merchantability, fitness for a purpose and non-infringement.

The owner of this site, the authors of these contents and in general anybody connected to this site in any way, from now on collectively called "Providers", assume no responsibility for errors or omissions in these contents.

The Providers further do not warrant, guarantee or make any representation regarding the safety, reliability, accuracy, correctness or completeness of these contents. The Providers shall not be liable for any direct, indirect, general, special, incidental or consequential damages (including -without limitation- data loss, lost revenues and lost profit) which may result from the inability to use or the correct or incorrect use, abuse, or misuse of these contents, even if the Providers have been informed of the possibilities of such damages. The Providers cannot assume any obligation or responsibility.

The use of these contents is forbidden in those places where the law does not allow this disclaimer to take full effect.

Disclaimer

Results cannot be guaranteed, moreover, results from individual testimonials are for reference only and your own personal experience may differ to those shown on this site.

Regression therapy is an approach to treatment that focuses on resolving significant past events believed to be interfering with a person's present mental and emotional wellness. Only people with sound mental health who are confident that a review of past events will not adversely impact their emotional or mental health should participate. We request that you do not participate in regression therapy if you or your treating practitioners have any past or existing concerns about your mental health.
